### WHO WE ARE

Established in 2008, our Berlin-based design studio KARAKTER is a “hidden champion” in the global entertainment industry (games, TV). Under our rallying cry “creating the classics of tomorrow”, we provide visual design and creative development services for talked-about properties like **Game of Thrones (HBO)**, **Horizon - Forbidden West (Sony Playstation)**, and **God of War – Ragnarök (Sony Playstation)**, shaping the experience of millions of players worldwide.

### YOUR JOB

While we put maximum efforts into making our customer’s projects a success, we have too little time to always make our own studio look great. So, help us to...

- Update legacy documents and templates to our current corporate design
- Design merch and material for business expos
- Creatively design packaging and employee gifts
- Creatively design social media content

### WHAT YOU BRING

- A smashing graphic design portfolio
- A passion for corporate design and intellectual rigor
- A keen eye for typography
- Active enrolment at a public or private university or college/Fachhochschule
- Proficiency in Adobe Creative Suite (InDesign, Illustrator, Photoshop) and the MS Office suite (Word, PowerPoint, Excel)
- German or English skills at business level or higher
- Reliability, attention to detail and outstanding self-organization skills
- Availability to meet with our design directors or producers (online or at one of our studios) during business hours (anywhere from 9:00 – 18:00)

### NICE TO HAVE

- You are passionate about traditional art or entertainment products
- You know a thing or two about streaming and/or software like Adobe After Effects, Premiere
- You are living in Berlin or Potsdam

### WHAT WE OFFER

You will learn how one of the world’s best design agencies is organized, and you will collaborate with design award winning directors and creators. We offer a flexible position with a weekly workload of approximately 10 hours, allowing you to choose when and where you complete your tasks.

Our lovely and open-minded team welcomes you at our studio in Prenzlauer Berg the way you are and is already looking forward to seeing you at our regular studio events, such as BBQs and after-work drinks.
